

Transform your elevator into a gem

You have taken time and care in designing a home that reflects your personality, why not do the same for your elevator? LUXE is comprised of a number of accessories and finishes that will help your elevator complement its surroundings.

They can be combined for a full experience or added individually. Speak to your Federal Elevator representative for more information.

Cab Gates

Bifold
View from inside elevator

These gates open and fold away from cab opening to allow for a clear entrance.
